MOMENTUM DESIGN GROUP, LLC. NEWS HEADLINE

Hopkins, Minn. – Momentum Design Group is pleased to announce that Construction has been begun on Canadian Pacific Office Expansion project in St. Paul.

Canadian Pacific Railway requested a design for a 20,000 square foot office building to be attached to their existing facility. The new building houses office and training functions which combines several buildings into one. Nelson Rudie Associates, Inc. is responsible for structural engineering, Pierce-Pini Inc. designed the civil engineering and VSI Construction, Inc. is the general contractor. The project is expected to be complete by the end of summer 2011.

Momentum Design Group is located at 750 Second Street N.E. Suite 401, Hopkins, Minnesota. The office can be reached at (952) 583-9788 or info@alwaysbuilding.com.

Momentum Design Group opened its doors more than three years ago as a collaboration of the talents of Jeff Wrede and Brian Gadiant. The organization now works with various clients to complete projects from office and retail tenant improvements to multiple acre master planning developments. At Momentum Design Group, we believe that if you are not moving ahead you are moving back. Whether it be technology, construction, your net worth or Momentum, we are always building.
